TO HONORABLE JUDGE WOOLFE

I SINCERELY HOPE ALL IS WELL AND YOU ARE DISTRICT COURT HEALTHY.

I SURRENDERED TO FNC DEVENS ON JANUARY 30th AS ORDERED. AND I WAS

FULLY PREPARED TO SERVE MY TERM PRESCRIBED BY YOUR HONOR. I WAS ACTUALLY A BIT RELIEVED KNOWING EVERYDAY I SPEND NOW IS A DAY CLOSER TO JOINING MY FAMILY AND PAYING MY DUE AND REMIND MYSELF OF DAMAGES AND VICTIMS EVERYDAY.

UPON ARRIVAL, I WAS PLACED IN A SOLITARY QUARANTINE FOR 2 WEEK FOLLOWED BY A DEFINITIVE PCR COVID-19 TEST WHICH FINALLY CAME BACK MAKING ME ELIGIBLE TO TRANSFER TO CAMP WHERE MY PRISON LIFE WOULD HAVE RESUMED.

BUT THE CAMP WENT INTO A LOCK-DOWN JUST BEFORE I WAS ABLE TO MOVE.

AND I HAD TO WAIT UNTIL LOCK-DOWN COMES OFF. AND ALL THING IS OK EVEN THOUGH

I WAS ABLE TO GET ONE 15 MIN CALL AND ABOUT 30 MINUTE HUMAN INTERACTION WITH 3 MEALS PROVIDED THROUGH A SMALL OPENING ON THE METAL DOOR TO MY ROOM.

DURING THE LAST 3 WEEKS. HOWEVER, I COMPLAINED A SHORTNESS OF BREATH FROM MY ASTHMA BECAUSE MY INHALER DID NOT WORK PROPERLY, I IMMEDIATELY ALERTED THE MEDICAL STAFF TO ISOLATE ME TO ANOTHER SOLITARY CONFINEMENT EVEN THOUGH I HAVE NO OTHER SYMPTOMS. AND THIS NEW CELL I AM PLACED IN IS

WITHOUT ACCESS TO ANY PHONE CALL AND THERE ARE 2 OTHER INMATES IN CELLS NEXT TO ME WHO TESTED POSITIVE FOR COVID. EVEN THIS IS ENDURABLE.

HOWEVER, I AM MORE CONCERNED ABOUT A CHANGE IN MY HEALTH STATUS.

AND I AM ACTUALLY A BIT RELIEVED TO BE ISOLATED FROM THE CAMP FOR NOW.

UPON ARRIVAL, I WAS GIVEN A TB SKIN TEST. AND MY SKIN REACTION TO IT WAS SO VIOLENT THAT IT LEFT A MARK ON MY ARM, WHICH LOOKS LIKE A BURN MARK.

DR. RUZE, THE PRISON DOCTOR, INFORMED THAT I HAD A RECENT EXPOSURE TO TB DURING MY TRAVEL TO CHINA AND VIETNAM. AND DOMANT TB

CAN FLARE UP AND COMPROMISE MY HEALTH SERIOUSLY. AND SHE PUT ME ON 6 MONTH TREATMENT. THIS IS MY DAY 2 IN THE SECOND 2 WEEK ISOLATION

AND THE TREATMENT HAS NOT STARTED YET. THE SITUATION AT THE CAMP IS

SEEMS VOLATILE, A LOCK-DOWN COMES ON AND OFF WHENEVER THERE IS ANY INMATE WITH POSITIVE TEST RESULT. I WAS ALREADY IN A SIGNIFICANTLY

COMPROMISED HEALTH CONDITION, HAVING A HISTORY OF ASTHMA; BEING IN OLDER AGE GROUP (60 1/2 YEARS OLD), JUST CAME OUT OF A VERY INVASIVE NECK DISC FUSION SURGERY WHICH LEFT A METAL PLATE AND SCAR TISSUE OBSTRUCTING MY AIRWAY A LITTLE BIT. - I AM A SEMI-PROFESSIONAL SINGER AND I AM A BIT MORE KEEN ON CHANGE IN MY AIRWAY.

NOW A ~~REAL~~ TB EXPOSURE SEEMS TO BE A REAL THREAT IF I AM EXPOSED TO COVID-19 BEFORE A COMPLETION OF TREATMENT.

DESPITE OF A DESTITUTE AND DIFFICULT CONDITION OF SOLITARY CONFINEMENT, I WAS COMMITTED TO WORK HARD TO IMPROVE MYSELF SETTING UP DAILY ROUTINE SUCH AS DAILY EXERCISE, READING THE BIBLE TO GET TO KNOW GOD BETTER - I READ THE ENTIRE BIBLE IN 10 DAYS, WHICH GAVE ME A BETTER UNDERSTANDING OF CONTEXT THAN WHEN I READ BITS AND PIECES OF IT ONCE IN A WHILE - AND KEEP RECORD OF DAILY JOURNAL UNTIL I RAN OUT OF PAPERS. I CAME IN COMMITTED TO MAKE MY TIME HERE AS PRODUCTIVE AS POSSIBLE. HOWEVER, I DO NOT WANT MY 60 MONTH PRISON TERM TO BECOME ANYTHING MORE THAN THAT, AND DEFINITELY NOT A DEATH SENTENCE, I DESPERATELY HOPE AND PRAY.

SO I HUMBLY AND RESPECTFULLY REQUEST FOR A TEMPORARY RELEASE INTO A HOME CONFINEMENT UNTIL I SUCCESSFULLY COMPLETE TB TREATMENT FOR 6 MONTHS. AND I CAN RETURN AFTER THE RISK OF MORTALITY IS CONSIDERABLY REDUCED SO I CAN SUCCESSFULLY SERVE MY TIME AND RETURN TO MY FAMILY AS A HUSBAND AND FATHER I SHOULD BE. MY PREVIOUS HOME CONFINEMENT IS AVAILABLE AND I WILL ABIDE BY ALL CONDITIONS SET AS I HAVE DONE SUCCESSFULLY IN THE PAST.

PLEASE CONSIDER THIS REQUEST WITH MERCY AND COMPASSION FOR ME AND MY FAMILY. I REALLY FEEL LIKE PLAYING RUSSIAN RULET TO GO TO CAMP WITH MY MEDICAL CONDITIONS IF TB IS NOT TREATED. THANK YOU FOR YOUR KIND CONSIDERATION IN ADVANCE.

RESPECTFULLY YOURS,

KEENAN PARK (01095-138)

• DAY 23 IN SOLITARY CONFINEMENT AND MY NEXT ELIGIBILITY FOR CAMP IS DAY 35 TO 40.
